STATE BAR ADMISSIONS AND THE BOOTLEGGERS SON
VOLUME II - CASE LAW ANALYSIS

*"All I am is a Non-Conformist Lawyer with a penchant for Comedy, Satire, Bluntness, Sarcasm, Acting and Parody coupled with an in-depth understanding of the heartbreaking problems litigants face. I couple these character traits with extensive legal knowledge in certain isolated areas of the law exceeding that of virtually any Judge. I seek to use my knowledge to assist helpless litigants and impoverished citizens by opening the doors of the legal profession. I am a believer in what the famous educational reformer and abolitionist Horace Mann asserted when he stated, **"Be Ashamed to Die Until You Have Won Some Victory for Humanity."**" "*

-- Evan S. Gutman CPA, JD May, 2026 --

*"A **Martian arriving here from another planet** would see these circumstances and surely wonder: "what good is the Constitution, then ?" What really, is this system for protecting people's rights, if it amounts to this - placing the onus on the victims to invoke the law's protection, and rendering the very institution that has the singular function of ensuring compliance with the Constitution powerless to prevent the GOVERNMENT from violating it? "Those things Americans call constitutional rights seem hardly worth the paper they are written on !" "*

Liberal U.S. Supreme Court Justice Ketanji Brown Jackson,
Dissenting in Donald J. Trump, President of the United States, Et. al. v Casa, Inc., Et. Al. - Case # 24A885, June 27, 2025, (emphasis added)

"The people should not be deceived. While the present Court sits, a major, undemocratic restructuring of our national institutions and mores is constantly in progress.

. . .

The Court must be living in another world. Day by day, case by case, it is busy designing a Constitution for a country I do not recognize.

Conservative U.S. Supreme Court Justices Scalia and Thomas, Dissenting
in
Board of County Commissioners v. Umbehr, 518 U.S. 668 (1996)

"I do not believe that either the bench, the bar, or the litigants will know what has been decided in this case -- certainly I do not."

U.S. Supreme Court Justice Hugo Black,
Dissenting in Lathrop v Donahue, 367 U.S. 820 (1961)
